VJBL Domestic Player Governance

INTRODUCTION

The following guidelines have been drafted to assist in the task of making the Junior Domestic Competition, (whereby 'junior' is as defined by the By-Laws) at Pakenham both fair and competitive for all players, coaches, teams, and supporters. The primary aim of the Domestic Competition is for fun and exercise for all concerned. Representative players are strongly encouraged to play in the Associations domestic competition. Therefore, it is essential that no one team should dominate in any grade as a result of being "stacked" with representative players.

What follows is a set of guidelines that all Clubs/Teams are required to follow. However, it must be understood that the intent is to prevent any one team from dominating in any grade, and the final decision on placement of a team (irrespective of the documented point allocation) will rest with Competition Management.

All Clubs and/or Teams are required to adhere to these rules.

118. The VJBL season is deemed to be 1st November through 31st October, inclusive of any seasonal breaks, or alternatively, as outlined by VJBL.
119. A player's VJBL "status" is determined by the VJBL level at which the players current, or most recent, VJBL team participate in. (IE: VC, VJL1, VJL2, VJL3, VJL4, etc)
120. A player's VJBL "status" at the start of a domestic season remains in place until the end of that domestic season, including finals.
121. Player point allocation is as follows and will be allocated according to By-Laws 118, 119 and 120 at the commencement of each Winter domestic competition.
122. **Boys' points will be as below and may not exceed a total of points value of twelve (12)**

| d. VJL3 | 2 Points |
| e. VJL4 | 2 Points |
| f. VJL5 or Below | 1 Point |

124. VJBL players playing up an age group from their representative age group will have their point allocation halved.
125. In the U18/21 Girls Competition, players who have aged out of U18's VJBL and are playing Big V representative basketball will be counted as three (3) rep points.
126. Players that do not participate in VJBL competition but do play representative basketball in Junior Country Champs will be allocated one (1) rep point.
127. Any domestic team failing to comply with these rules will be deemed to be in breach of By-Law 50.
128. The final decision on grading of a junior team is at the discretion of the Competition Management in conjunction with the PDBA.

TEAMS

129. Teams whereby more than 12 points (Boys team) or 9 points (Girls team) or are allocated to registered players in that team, will be required to split the team or play them up an age group so their points are halved.
130. Exemption to player points ruling - A HOME GROWN TEAM is a team that can demonstrate that the playing group has been playing together prior to players joining representative basketball.
131. Penalties: Refer to By-Law 50.

CLUB/TEAM RESPONSIBILITIES

132. Clubs (or Teams that are not part of a Club) are required to comply with the following:
 - i. Notify competition management of any players participating in VJBL including the VJBL Association and Victorian Junior League in which they participate prior to the beginning of the domestic season.
 - ii. If a team wishes to add a VJBL player after the team entry is submitted, they must gain permission from the Association prior to that player participating. Failure to do so will incur a loss of premiership points. In adding a VJBL player, the team must still remain within the 12-point limit or make adjustments as described in Clause 4.

ASSOCIATION RESPONSIBILITIES: The Association will

133. Review all entries, giving consideration to team/player points, and representations from Clubs/Teams. This may include performing cross-checks with VJBL player lists. Based on any review the Association will assign teams to an appropriate grade.
134. Review team gradings from time-to-time, giving consideration to team representations, team performance within their current grade and changes to points during the season.
135. The guiding principle is that no team should dominate or be dominated in any grade. The Association reserves the right to re-grade teams in the interest of fair competition.

UNIFORM RULE

COMPRESSION GEAR & UNDERGARMENTS

FIBA allow players to wear compression gear.

Any compression item must be black, white or the same dominant color of playing singlet. If there is a logo or branding on the item, it must not be visible outside of the uniform or to be the same color as the item. Eg, black on black. The color choice will be decided by the player's team to ensure that teams have uniformity if more than one player in a team is wearing compression gear. This means that if one player is wearing black compression gear, any other player in the team must also wear black in any compression gear worn.
