A junior player who has attained the age of 15 years, but has not attained the age of 18 years, may not participate in senior competition until the player's parent or guardian has provided, in writing to the Committee, consent to play on behalf of the player. The consent may be either by letter to the Committee, or endorsed on the back of the score sheet and signed by the player's parent or guardian in the presence of, and duly witnessed by, the Referee at time of taking the court.
11. Teams may register as many players as they wish, however only 10 players may play in any game, including Finals.
12. Players playing at a senior representative level with any association (e.g: NBL, WNBL, Big V etc) may only register in teams fixtured in Men's or Women's A Grade competition as appropriate to their gender. Enforceable at the discretion of the PDBA.

13. No more than 3 players playing at a senior representative level with any association (e.g: NBL, WNBL, Big V etc) may be registered in the same team. Enforceable at the discretion of the PDBA.

21. An injured player is deemed to participate in a game if their name is on the sheet and if they are in uniform and sitting on the bench during that game, and adhere to by-law 21.
22. Senior players on request, will be required to supply photographic identification to play in all final games prior to taking the court.

GRADING

23. Grading of all teams may be conducted during and completed by the end of the 5th week in each season.
24. Whilst it is hoped that most re-grading occurs by end of week 5, it is recognised that re-grading may be necessary at a later time and should occur prior to the season's mid-point. The Committee must approve any re-grading after week 5.
25. Teams not participating in grading for whatever reasons (e.g. forfeits) will automatically play in the top division of their age group or grade unless the Committee grant special permission. Submissions regarding re-grading of such teams must be in writing and delivered to the Committee no later than the 4th week of the season.

28. In extraordinary circumstances, at the discretion of the Committee, teams shall be moved to a higher or lower age group.
29. No games, including finals, will be played on Gazetted Public Holidays or the Saturday or Sunday of a long weekend whereby Monday is a Gazetted Public Holiday.

41. Teams are to call for substitutes and time outs through the score bench. Scorers are encouraged to inform the relevant coach (bench) when a player accumulates four fouls, but essentially it is the team's responsibility to keep advised of this situation. VJBL Domestic Player Governance

Introduction:

The following rules have been drafted to assist in the task of making the junior domestic competition (whereby 'junior' is as defined by By-Law 7) at Pakenham both fair and competitive for all players, coaches, teams and supporters. The primary aim of the domestic competition is for fun and exercise for all concerned and it is essential that no one team should dominate in any grade as a result of that team being "stacked" with VJBL players.

All Clubs and/or Teams are required to adhere to these rules.

123. The VJBL season is deemed to be 1st November through 31st October, inclusive of any seasonal breaks, or alternatively, as outlined by VJBL.

124. The PDBA strongly encourage that all PDBA VJBL players play in the PDBA domestic competition.

125. A player's VJBL "status" is determined by the VJBL level at which the players current, or most recent, VJBL team participate in. (ie. VC, VJL1, VJL2, VJL3, VJL4, Regional)

126. A player's VJBL "status" at the start of a domestic season remains in place until the end of that domestic season, including finals.

127. Player point allocation is as follows

Players VJBL Status	Points Allocation
Victorian Championship (VC)	4
Victorian Junior League 1	3
Victorian Junior League 2	
Victorian Junior League 3	2
Victorian Junior League 4	
Regional	1

128. VJBL players playing up an age group from their representative age group will have their point allocation value halved and By-Law 127 does not apply.

129. No domestic team may exceed a total points value of twelve (12).

VJBL Domestic Player Governance (cont.)

130. Any domestic team failing to comply with these rules will be deemed to be in breach of By-Law 57.

131. The final decision on grading of a junior team is at the discretion of the PDBA.

VJBL Domestic Player Governance - Rules Interpretation

1. INTRODUCTION:

- 1.1. The following guidelines have been drafted to assist in the task of making the Junior Domestic Competition, (whereby 'junior' is as defined by the By-Laws) at Pakenham both fair and competitive for all players, coaches, teams and supporters. The primary aim of the Domestic Competition is for fun and exercise for all concerned. PDBA Rules now require all Representative Players to also play in the PDBA Domestic Competition, it is essential that no one team should dominate in any grade as a result of being "stacked" with Representative Players.
- 1.2. What follows is a set of guidelines that all Clubs/Teams are required to follow. However, it must be understood that the intent is to prevent any one team from dominating in any grade, and the final decision on placement of a team (irrespective of Rep Points) will rest with the Domestic Committee.

2. CRITERIA FOR POINTS ALLOCATION TO A PLAYER:

Principle:

The general principal observed here is that the player's status at the start of the Domestic season remains in place until the end of the Domestic season including finals.

Definition:

The Rep season is deemed to include all of the break that follows it, up to the commencement of the next Rep Ball season.

- 2.1. Qualification for Points. Any player who concurrently plays Domestic (PDBA) and Representative (either for Warriors or for any other Rep Association) Basketball will be allocated points in accordance with the level of Rep Ball played (as detailed in Para 3. The Points, below). These points will apply while playing at the "natural" age level in both Rep and Domestic Ball. (See Exceptions, below).

As an example, if playing at U/14 Rep, the full points will apply to U/14 or U/12 Domestic if the player is eligible to play by virtue of their age. Being a "bottom age" player in Rep or Domestic will not change the qualification for points. (See Exceptions, below).

Exception:

If a player is playing in their "natural" Domestic age group, the full points will apply, but if the player is playing in an older Domestic age group, the points will be **halved** in the older age group.

The Domestic Committee will review instances of Rep players competing in lower than Domestic Division 2. The guiding principle is that no team or player should dominate by virtue of Rep skill levels. Clubs/Teams must refer such cases to the Domestic Committee.

- 2.2. Application of Points. The above criterion (see 2.1 Qualification for points, above) will apply to any player who :

2.2.1. Is playing Rep Ball at the time they commence a Domestic season (whether at the start of the Domestic season or at some other time during that season). These points will apply for the duration of that Domestic season including finals;

2.2.2. Was playing Rep Ball in a season that overlaps the start of a Domestic season, and then ceases playing Rep Ball. This includes quitting Rep Ball in the middle of a Rep season or in the break that follows that season – in this case the points applicable to the pre-break Rep season shall apply (see 2.3. Removal of Points, below).

Exception: Where a player, who has only been playing Domestic Ball, commences playing Rep Ball in the middle of a Domestic season, no points will apply for the balance of the Domestic season (points will apply if the child continues both Rep and Domestic next season).

2.3. Removal of Points. Where a player quits Rep Ball during a Domestic season, the above criterion (see 1. Qualification for points, above) will cease to apply at the end of that Domestic season.

Note: If, in such a case, the player re-commences Rep Ball during the next Domestic season, the points will be immediately re-applied as soon as they re-commence Rep Ball.

3. THE POINTS:

3.1. The number of points allocated to a player will be determined as follows:

ALL JUNIOR AGE GROUPS

Vic Championships Players 4 Points

VJBL Junior League 1 or 2 Players 3 Points

VJBL Junior League 3 or 4 Players 2 Points

VJBL Regional Competitions Players 1 Point.

3.2. TEAMS:

3.2.1. Teams with more than 12 points - will be required to split up the team to bring it within 12 points (See EXCEPTION below).

EXCEPTION to 3.2.1

In the case of a team where more than 12 Points cumulative have played together in the same PDBA Domestic team PRIOR to becoming REP players, this By-Lay (3.2.1) shall not apply.

This exemption will expire at the commencement of the Winter 2016 Season.

3.2.2. Penalties:

A failure to comply with these provisions (i.e., a team playing a game with more than 12 points across their entire player list), will result in the game being forfeited with the loss of premiership points.

4. CLUB/TEAM RESPONSIBILITIES:

Clubs (or Teams that are not part of a Club) are required to comply with the following:

- 4.1. Declare, on the Domestic team entry form, which players are also Rep players, and the Rep Club and Division in which they currently play;
- 4.2. If a team wishes to add a Rep player after their team entry is submitted, they must gain permission from the Domestic Committee, prior to that player participating. Failure to do so will incur a loss of premiership points. In adding a Rep player, the team must still remain within the 12-point limit, or make adjustments as described in The Points, above.

5. DOMESTIC COMMITTEE RESPONSIBILITIES:

The Domestic Committee will:

- 5.1. Review all entries, giving consideration to team/player points, and representations from Clubs/Teams. This may include performing cross-checks with Rep player lists from Warriors, etc. Based on this review the Committee will assign teams to an appropriate grade;
- 5.2. Review team gradings from time-to-time, giving consideration to team representations, team performance within their current grade and changes to Rep Points during the season.
- 5.3. The guiding principle is that no Team should dominate or be dominated in any grade, and the Domestic Committee reserves the right to re-grade teams in the interest of fair competition.
